### Pascack Valley Regional High School District Highlights Teachers

Educators continually strive to improve themselves for the betterment of the students they serve. As we begin the new school year, we are excited to introduce our new staff and highlight the accomplishments of two particular educators in the district:

Dr. Steve Meyers

The Pascack Valley Regional High School District is proud to recognize Dr. Steven Myers, Pascack Valley High School's Student and Family Resource Liaison, as he has earned the credential of Diplomate in School Neuropsychology from the American Board of School Neuropsychology (ABSNP), LLC. As a Diplomate in School Neuropsychology, Dr. Meyers is one of only twenty individuals in the State of New Jersey who is able to provide school-based neuropsychological assessment and interpretation services for students with known or suspected neurological conditions. For more details on Dr. Meyer's accomplishment, please refer to the [Article of Accomplishment](#).

Mr. Kevin Kirkby

Pascack Hills Mathematics teacher, baseball coach, assistant volleyball coach and former basketball coach, Kevin Kirkby, has been selected to receive the Special Achievement Award by the YMCA of Greater Bergen County. The YMCA annually recognizes the county's most outstanding high school, college, amateur and professional athletes, as well as coaches who have demonstrated exceptional service to the young people of Bergen County. Mr. Kirkby is being recognized because of the leadership he demonstrates on and off the field and courts, along with leading his players to various conference and state sectional titles. In addition, he was recently named Bergen County Boys Basketball Coach of the Year for his efforts. The YMCA will honor Mr. Kirkby and other recipients at its annual [Awards Banquet](#) on November 21, 2017

The Board of Education is committed to hiring the strongest candidates to work with our students in the Pascack Valley Regional High School District. Teachers new to our district are:

Daniel Apice – School Psychologist – Milestones Program  
 Kimberly Caminiti – Mathematics Teacher – Pascack Hills High School  
 Ryan Dore – Instrumental Music Teacher – Pascack Hills High School  
 Danielle Jenkins – Special Education Teacher – Milestones Program  
 Dayna Lane – Special Education/Biology/Spanish Teacher – Pascack Valley High School
